Design & UX

- Adobe Creative Suite
- Editor and copywriter
- Figma

Managing Software Code

- GitHub
- GitLab

Analytics & CRM

- Plausible, Hotjar

WORK EXPERIENCE

Business Advisor & Learning Content Lead

MAR 2025-JUL 2026

CHIBITRONICS, CONTRACT

- Designed customer success journey to support a new product lineup launch, streamlining onboarding across educator, maker, and crafter audiences.
- Oversaw redesign and launch of the Chibitronics website, improving user experience and navigation for a multi-audience community.

Head of Education

FEB 2019-FEB 2024

STRAWBEES

- Produced and hosted a monthly webinar series for the global educator community, collaborating with B2B business partners to reach B2C audiences. Scheduled guest creators and collaborators, ran live production with Zoom and StreamYard, delivered promotional assets, and published episodes to a YouTube Live library for on-demand access.
- Scaled global Ambassador program across 3 cohorts of 15 educators representing 6+ countries including the US, India, Singapore, Nigeria, UAE, and Sweden. Ambassadors ran local events, attended conferences, and produced community content that extended platform reach organically.
- Expanded platform into 3–4 international markets, partnering with the United Nations Information Centers, the Swedish Institute, and national Ministries of Education to localize curriculum and support institutional adoption.
- Co-led product development partnerships with micro:bit Educational Foundation, Sam Labs, Marusys Co., Saturday Kids, and Arkki International, managing co-created launches from brief to market.
- Represented Strawbees and facilitated workshops at international edtech and maker conferences including ISTE, BETT (UK), SETT (Sweden), and Maker Faire.

Content and Community Manager

FEB 2017-JAN 2019

STRAWBEES, GOTHENBURG

- Built and managed a Facebook educator community of 629 teachers globally, establishing it as the primary engagement and support channel for the Strawbees user base.
- Launched the initial Ambassador program, creating the framework for educator-led community growth that later scaled across 6+ countries.
- Joined as an early hire and built the community function from zero, earning promotion to Head of Education.

- HubSpot

WORK EXPERIENCE (CONTINUED)

Educator, Innovation and Tech Specialist
JUL 2014-MAY 2017
CHILDREN'S CREATIVITY MUSEUM ↗, SAN FRANCISCO

- Partnered with makers, edtech startups, artists, and educators to design and facilitate a monthly InnovatED workshop series, building a recurring community program around hands-on creative technology.
- Represented the museum at conferences including TECA and Maker Faire, advocating for maker education in informal learning spaces.

Maker Corps Mentor
SEP 2013-APR 2017
MAKER EDUCATION INITIATIVE, SAN FRANCISCO

- Mentored incoming Maker Corps Members across the US and represented the Maker Education Initiative at Maker Faire and the Making Possibilities Workshop.

EVENTS

Impact Lab
DEC 2025-ONGOING
